

JBL On Stage™ IIP

Portable loudspeaker dock for iPod and iPhone

The JBL On Stage™ IIP portable loudspeaker dock is the ideal travel partner. Imagine the convenience of taking the JBL On Stage IIP speaker dock on the road or enjoying the sound right at your desktop. Connected to your iPod[†] or iPhone, MP3 player or other music source, it produces clean, powerful sound – while also charging your iPod or iPhone[†]. With the help of the IR remote, you can take complete control of your music with the JBL On Stage IIP loudspeaker dock.
